Addendum No. 2 dt. 13.09.2017 to
Bid Document No. MM/12018(19)/1/2017/DGH/ENQ/082 for Loss Prevention Services (Security Services) at DGH office & at Transit Accommodation at Noida

A number of verbal clarifications have been received from prospective bidders on the biddable parameter i.e. "Additional Service Charge @ __% of H" at row no. "J" of the Price Format. Note No. 1 of the price format clarifies that Cell 'J (a)' is mandatory and must be quoted as positive non-zero percentage. The prospective bidders wanted to know whether decimals are allowed and if so, up to what decimal is permitted.

2.0 After careful examination of the same, DGH has decided to issue an addendum to clarify that the percentage can be quoted as non-zero positive integer or decimal against row no. "J". In case of decimal percentage, the number of decimals will be limited to 4 (four) and in case, any bidder has quoted "J" in more than 4 decimals, it will be rounded off to 4 (four). E.g. 0.00001% will be rounded as 0% and will be considered as 0% and will be rejected; 0.00005% will be rounded as 0.0001%; 0.00045% will be rounded as 0.0005%; 0.00044% will be rounded off as 0.0004%.

2.1 If any bidder has already submitted their bid, they can submit an amended price bid format limiting the decimals to 4 (four) only as above. Non-responsive bids not complying above mentioned clarification will be rejected.

3.0 In order to comply with the clarification as above, bid closing / opening date & time is extended by 1 (one) week to read as 21.09.17.

Please be guided accordingly, while making your bid.

All other specifications, terms & conditions remain unchanged.
